11:00		Conference sessions (CS 1)	Conference sessions (CS 4)	Conference sessions (CS 5)	11:00
11:30					11:30
12:00		Lunch & Poster Walks	Lunch, Poster Walks & Meet the Experts	Lunch & Meet the Experts	12:00
12:30					12:30
13:00		Plenary Session B: Important work by Early and Mid-Career Researchers	Plenary Session D: Fostering research integrity: perspectives from African researchers	Plenary Session F: How enhanced data quality can boost innovation	13:00
13:30					13:30
14:00	Workshops Afternoon Sessions	Break	Break	Break	14:00
14:30		Conference sessions (CS 2)	Steneck-Mayer Lecture	Conference sessions (CS 6)	14:30
15:00					15:00
15:30		Conference sessions (CS 3)			15:30
16:00					16:00
16:30	Opening Ceremony				16:30
17:00				Concluding plenary	17:00
17:30					17:30
18:00	Conference Welcome Reception		Conference Dinner		18:00
18:30					18:30
19:00					19:00
19:30					19:30
20:00					20:00
20:30					20:30
21:00					21:00
21:30					21:30
22:00					22:00

### PLENARIES

Plenary A	Towards a Cape Town statement on fair and equitable Partnerships
Plenary B	Important work by Early and Mid-Career Researchers
Plenary C	Data, research, and integrity in the time of a global pandemic (Covid-19)
Plenary D	Fostering research integrity: perspectives from African researchers
Plenary E	Impact of research assessment and institutional ranking on research integrity
Plenary F	How enhanced data quality can boost innovation

### FOCUS TRACK

CS 1 and 4	Cape Town Statement on diversity, equity and fairness in research contexts
------------	--

### SYMPOSIA

CS 1	Can integrity issues encountered by a publisher inform best practices at institutions?
CS 1	Research Integrity Promotion Plans: from Principles to Practice
CS 2	Data publishing: Emerging ethical challenges and the need for standards
CS 2	Implementation of the Hong Kong Principles in an African context
CS 3	Networks to foster research integrity in a changing world
CS 3	Integrity and excellence: diversifying definitions of 'excellence' in research evaluation
CS 4	Global perspectives on Doctoral Supervisor Training in Research Integrity
CS 4	When and how to report to institutions, journals, publishers, or elsewhere
CS 5	Mentoring in LMICs: Adapting to cultures, hierarchical structures and resources
CS 5	Embassy of Good Science: Fostering Research Integrity and Research Ethics
CS 6	Paper mills as potential enablers of systematic research fraud
CS 6	Recent advances in research integrity
